Logo clearspace

To ensure legibility, always keep a minimum clear space around the logo. This space isolates the mark from any competing graphic elements like other logos or body copy that might conflict with, overcrowd, and lessen the impact of the mark.

Typography

Our typeface:
use in web and print

Greenwich is used for all
headlines and title in our site. It
should also be used for all
standart body-copy.

Typography

Our typeface:
use in web and print

Since Greenwich is currently not
available as a free Google
webfont, we have substituted it
with close alternative called
Montserrat.

We use it for body copy and web
pages with a huge text massive,
such as blog.

Typography

Secondary typeface:
use in Powerpoint

In cases where a standard system
font is required — such as sales
presentation Powerpoint
documents — Arial Regular and
Bold should be used.
